

## **Proposal for API Creation - Forex Live Trading and Forex Chart View**

**Client name- Abhishek Kumar Ojha**

**Company name- Codunite**

Dear Sir,

We appreciate your interest in our services and the opportunity to assist you in creating a custom API for Forex live trading and Forex chart view. This proposal outlines the project scope, cost breakdown, payment terms, and our terms and conditions.

### **Project Scope:**

#### **1. Forex Live Trading (API Integration):**

- Development of a real-time Forex trading API.
- Integration with your existing trading platform.
- Provide live market data, order execution, and account management functionality.

#### **2. Forex Chart View (API Integration):**

- Development of an API for real-time Forex chart visualization.
- Integration with your platform for displaying dynamic and interactive Forex charts.
- Customizable chart features to suit your requirements.

### **Pricing:**

Total Cost: 17,700/- (inclusive of 18% GST)

- Forex Live Trading API: 5,000 + 18% GST
- Forex Chart View API: 10,000 + 18% GST
- 50% upfront payment: 8,850/- (50% of the total cost)
- 50% before upload to the client's server: 8,850/- (50% of the total cost)

### **Payment Terms:**

**1. Upfront Payment (50%):** A non-refundable 50% of the total project cost (8,850/-) is due upon the signing of this proposal. We will initiate the project upon receiving this payment.

**2. Final Payment (50%):** The remaining 50% of the total project cost (8,850/-) is due prior to the final deployment of the API to your server.

### **Terms and Conditions:**

- 1. Scope Changes:** Any changes or additions to the project scope after the commencement of work may result in additional costs and an extension of the project timeline.
- 2. Project Timeline:** We will provide a detailed project timeline upon approval of this proposal. Timely provision of necessary resources and feedback from your end will be crucial in meeting project milestones.
- 3. Ownership:** Upon full payment, you will own the rights to the API. Until then, we retain ownership and rights.
- 4. Confidentiality:** We will treat all project information and data as confidential and will not disclose it to third parties without your explicit consent.
- 5. Maintenance and Support:** Post-launch, we offer ongoing maintenance and support services, which can be discussed separately.
- 6. Project Termination:** Either party may terminate the project in writing if the other party breaches any material obligation under this agreement.

Please review this proposal carefully and confirm your acceptance by signing and returning it. We look forward to working with you to create a robust Forex trading and charting solution that aligns with your business goals.
